

Feis At The Falls 2009

A chara,

As a 501-3C organization, we are writing on behalf of our Annual Lockport “Feis at the Falls” which will be held August 8, 2008, in The Conference Center Niagara Falls, NY. This traditional Irish Dance and Music competition will attract over 1100 competitors along with their families and friends. Visitors from Canada and all over the United States are expected to visit the Niagara Falls area to participate in this long standing event. Expenses for the competition run over \$45,000.

We are asking you to consider becoming a Stage or Schedule Sponsor. Another way to show your support is by taking an ad in our Virtual Ad Book. The Conference Center Niagara Falls has computer video screens throughout the facility and a Virtual Ad Book powerpoint presentation will be running continuously during the feis.
